Hudson Hall

THE NEW Benjamin F. Feinberg LIBRARY

The New Benjamin F. Feinberg Library, which had been under construction for over three years was finally opened June 27, 1977. The architecture of the building, which compliments its surroundings, was designed by Mitchell Giurgola, of N.Y.C.

The library consist of three floors, which enables it to accomdate more students and more material for their use.

College Bookstore

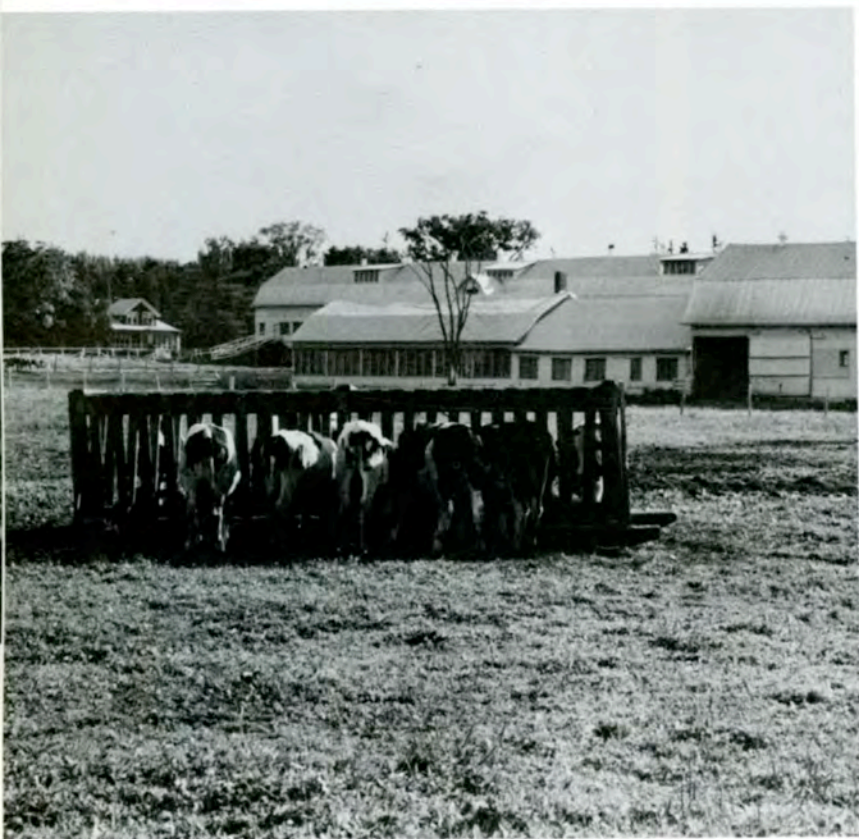

Miner Center

Miner Center is a fully equipped satellite campus located 15 miles north of Plattsburgh near Chazy on the spacious estate of the William H. Miner Agricultural Research Institute. The campus contains classrooms, laboratories, library, and faculty offices and residential and cafeteria facilities for 50 students and staff. It is the site of Man and Environment, a 15-credit, one-semester program in Environmental Science cooperatively developed and funded by the College's Institute for Man and Environment and the Miner Institute.

Twin Valleys

Twin Valleys, an outdoor education facility for Plattsburgh State, is located thirty-eight miles south of the main campus in the Adirondack woodlands. It is a 700-acre tract with brooks, meadows, and a three-acre pond. Twin Valleys is used throughout the year for such activities as tobogganing, snowshoeing, hiking, camping, campfire programs, swimming, boating, and informal sports programs. It is a unique experience offering one the opportunity to get away from the hustle and bustle of the city and to see nature at its fullest. It gives one the chance to see and appreciate how beautiful America really is.

GIFT OF CLASS OF 1967

The Flight of the Cardinal

A Day in the Life . . .

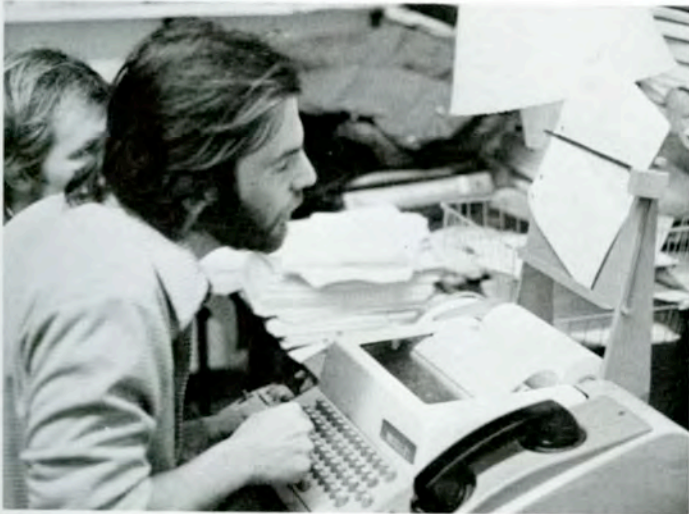

The morning's sun rises slowly over Plattsburgh, but not nearly as slowly as the students rise. The day's work looms menacing before us Monday through Friday and getting out of bed means starting it all off. Getting up leads to classes, after classes it's studying, and studying means midterms, finals, and quizzes in between. Well, you can't stay in bed all day, but maybe just ten minutes more . . .

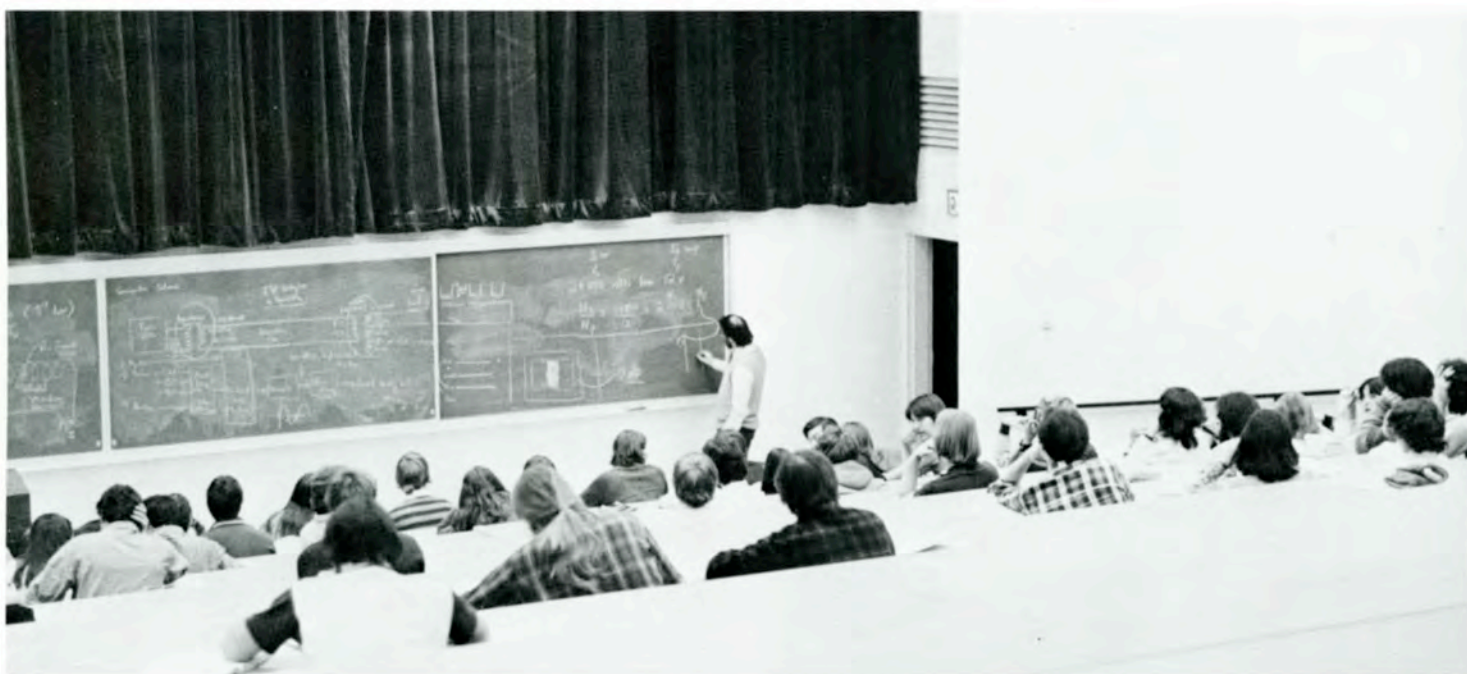

Whoever said getting there is half the fun? If you don't have your boots up here, you'll feel like a cowboy without his horse. But just like the mail, on we go to classes – through rain and sleet and piles of snow, to sit in class an hour or so. Then pick yourself up and move on to the next place to sit around some more. It's no wonder why the days seem to run in together and all be the same. Why can't it be Friday?

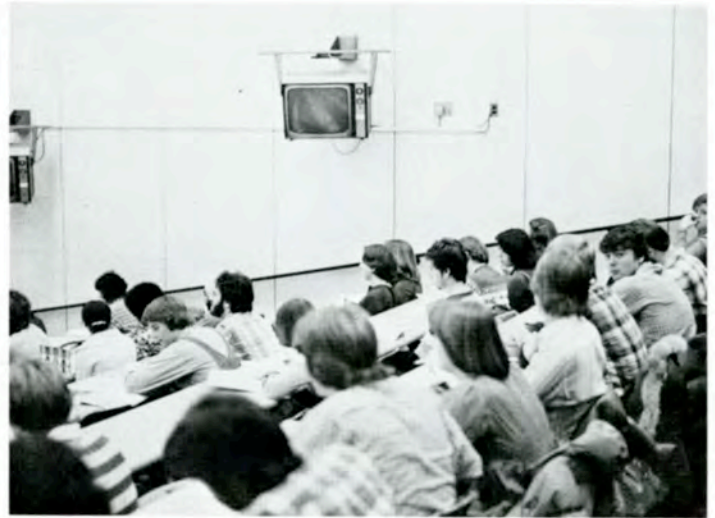

It's Monday, four days a week as we go through the cycle again. Keep working or drown in the rising flood of assignments. Not everybody makes it through four years and lately it's been getting tougher. Larger classes, higher academic requirements, and increasing work loads make you ask yourself, will it all be worth it? What happens after graduation?

You won't find the answer here. Keep on working. It won't be Monday forever.. . . .

There is one good thing you can say about classes; it makes dinnertime look so much better. (Better than what?) Just think of the things you can talk about with your friends:

"God, this looks awful."

"Didn't we have this yesterday?"

Well, look at the bright side, you can always trust the salad bar if you can't guess what else you're eating.

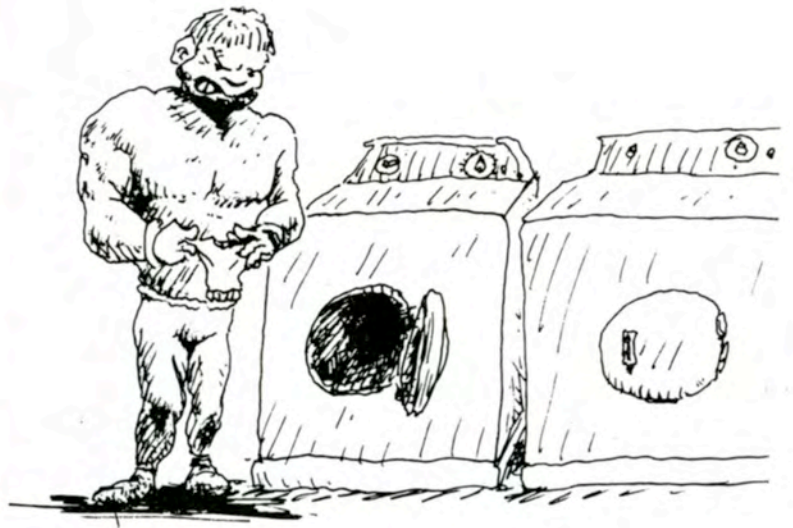

You gotta eat, so get in line. Take your pick: you can wait in the snack bar, at the Stage, or in Clinton dining hall. Just like classes, you get used to it. Seconds, thirds, and before you know it you're on a diet.

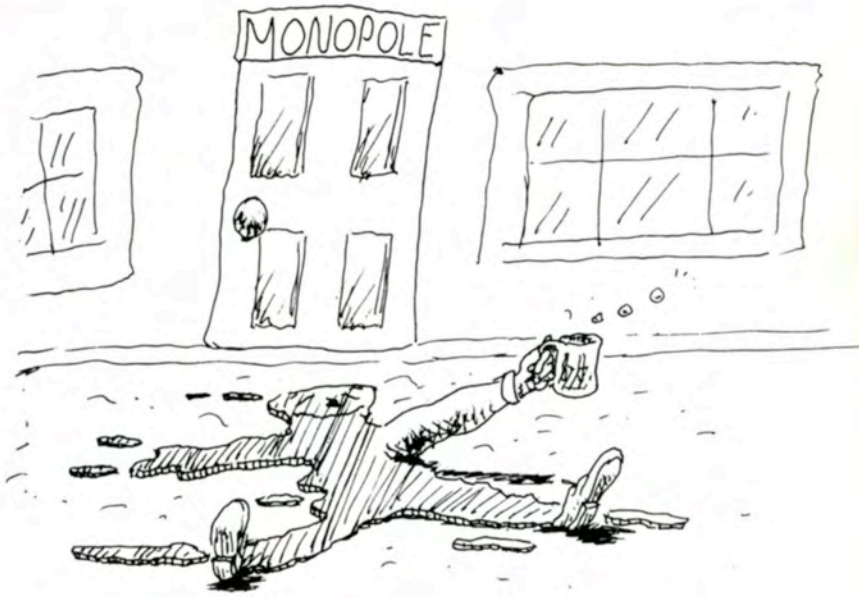

And guess what comes after dinner?

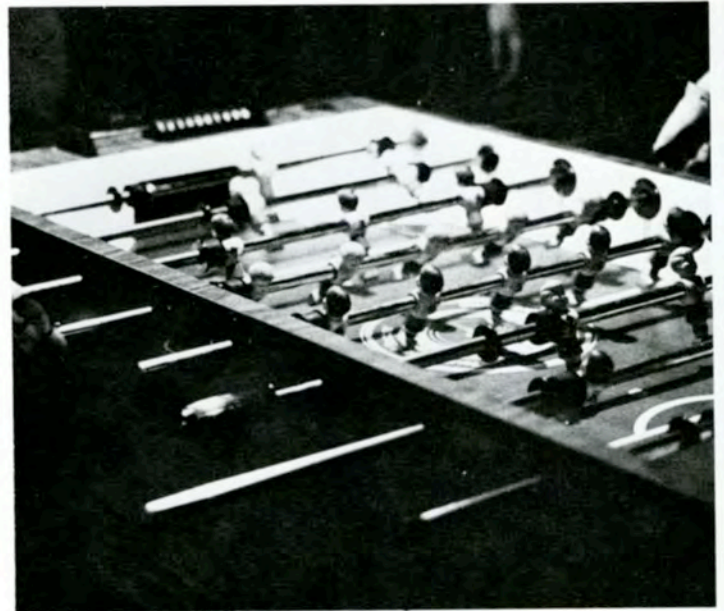

Here we go again, back to your room for studying: readin' writin' and rithmetic. That's if you can get down to work — otherwise a few hours of just sitting around can't hurt all that much. Wait a minute? Is that all we do here? If it weren't for the work, Plattsburgh would be great? So what makes it worth staying here? Monday's over and T.G.I.F.

When the weekend finally makes the scene, the college population shifts. Where to? Downtown! For a short weekend we come alive and stuff our books under the bed or in the closet. The end of the week changes attitudes as we get a break from the Mondays. People are happier and the smiles come easier, too. The only thing better than Friday is Saturday. And there's only one thing wrong with Sunday - Monday's next.

Graduation

I came from there
to School myself here ...
to challenge what was there with
Answers questioned here.
But I didn't like me.
And I became a part of now.
And I liked here.
And I liked me.
And it's time to go there now ...

Weekends

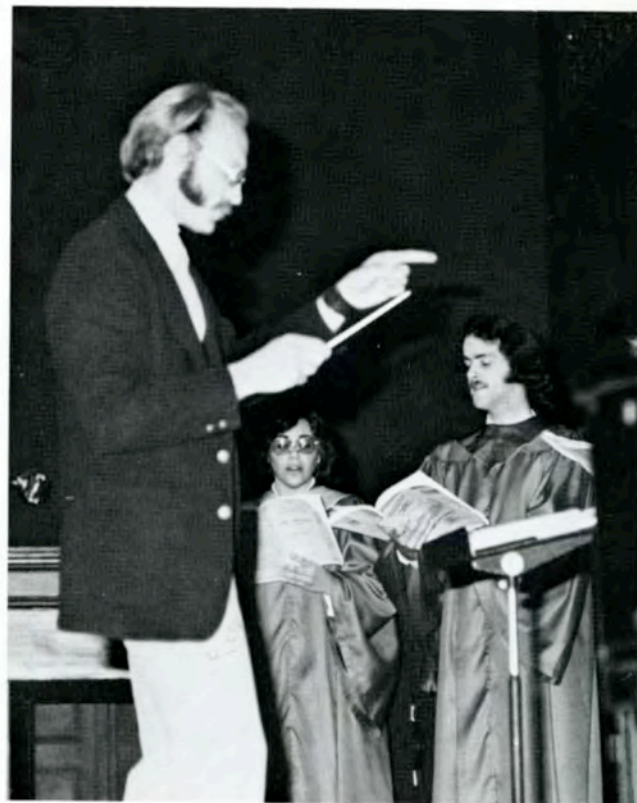

Spring Weekend 1977 "Listen To The Music"

"LISTEN TO THE MUSIC" At 8 p.m. in the Hartman Theatre the symphonic orchestra under the direction of Dr. J. Miller opened the Spring Weekend music festival.

It was a sunny Saturday morning for the annual Arts and Crafts Fair, as well as the campus wide picnic featuring "Ent" and the "Screaming Boarder Boys". On Sunday afternoon there was a bluegrass concert featuring "The Blend" and "Silver Chicken". Later that evening the College Chorale, under the direction of Dr. R. Frank concluded the Spring Weekend festivities.

A SPRING CONCERT

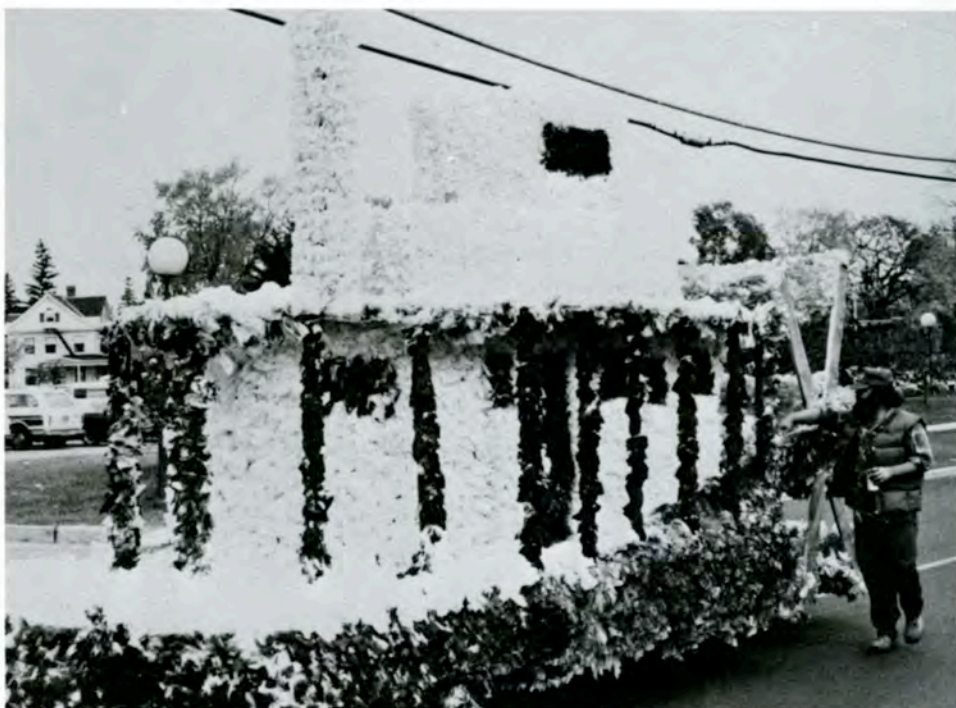

Homecoming: Plattsburgh State Presents “The Land Of The South” ...

It wasn't much of a balmy southern day, but at 10 a.m. the floats started rolling through the city on their way to the football field and the Homecoming Day Game. It took all night Friday to complete the floats for the competition. The winning float, “Show Boat”, left, won both first place overall as well as Greek division. Kent Hall won first place in the dorm competition.

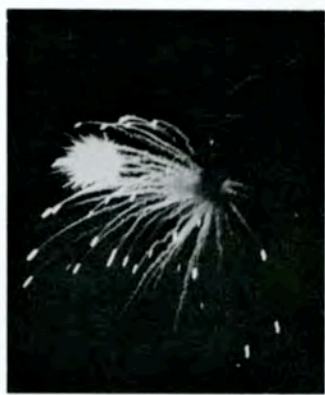

The Cardinals put up the best fight they could, but in the end we needed more than we had. The award ceremony highlighted half-time as Pres. Burke awarded his trophies to this years winning organizations. The Psi Eps and Thaliens shared both first place Greek division and best float overall, with Kent Hall winning the dorm competition. The DK's and Psi Ep's won a Scholastic cup each, and for the fourth year in a row, the brothers of Psi Epsilon Chi achieved the honor of winning the Presidents Cup.

If you moved fast, you saw it all. But if you missed some we went through a semi-formal; crowned a new queen, Ann Galloway; saw some fireworks, a brass quintet from Potsdam; and a beer blast in the pub.

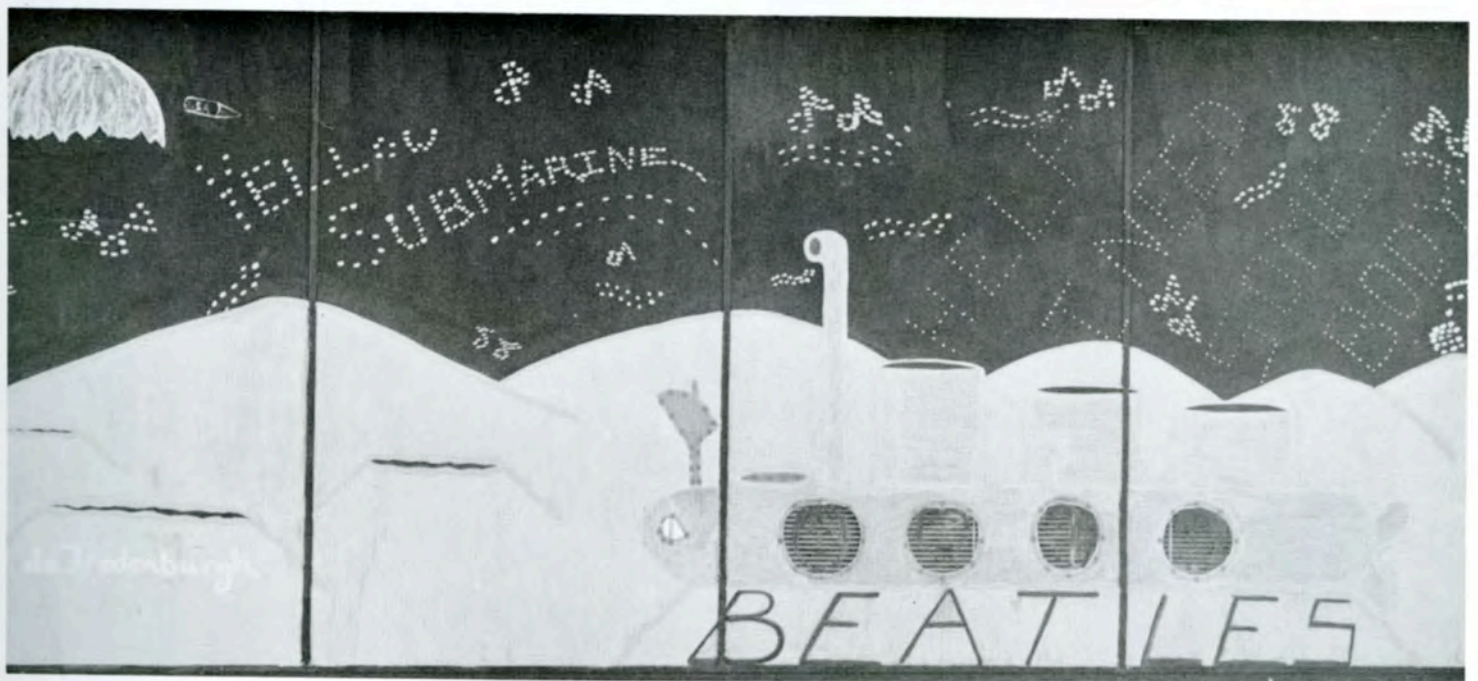

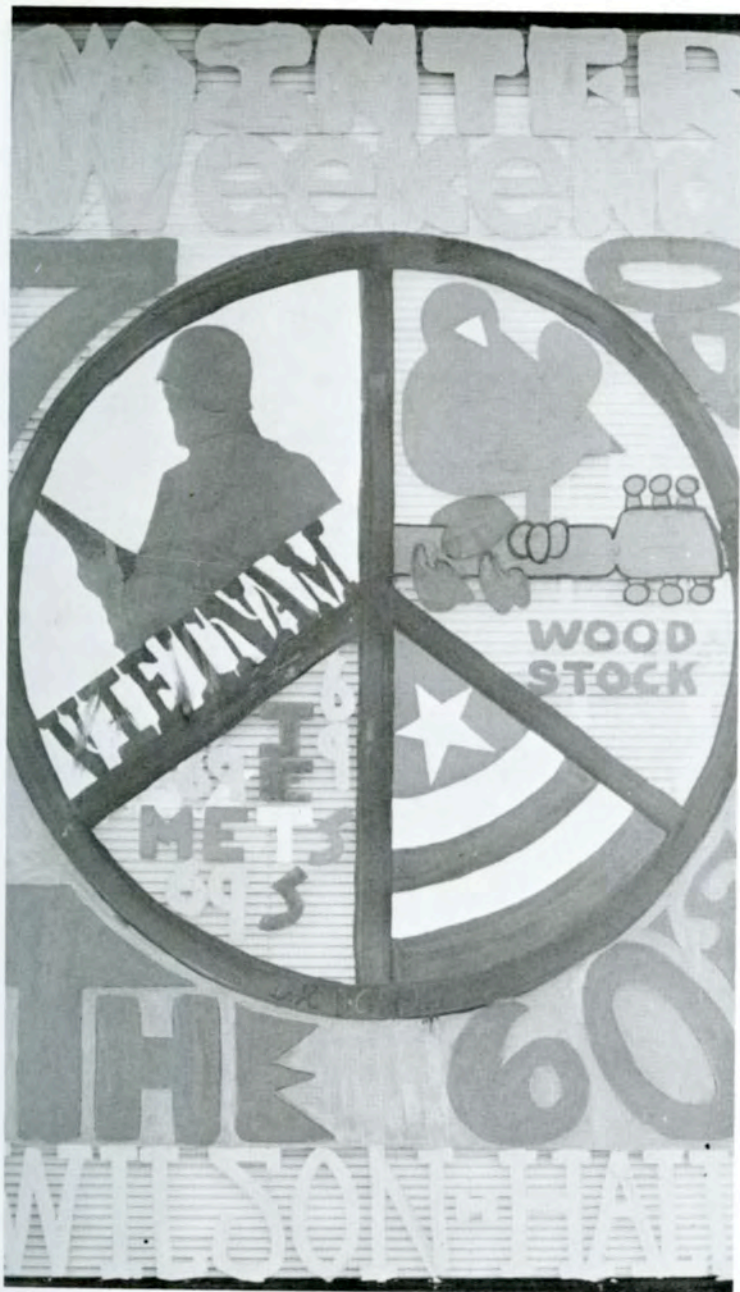

Winter Weekend

Life and Times of the 60's

Winter Weekend '78 started with a Talent show in Hawkins Hall Auditorium. The weekend schedule included a Friday night beer blast at "The Pub", Saturday afternoon sporting events and a Saturday evening semi-formal dance. The weekend was concluded with a Sunday afternoon "Coffeehouse on Ice" at the Field House.

Organizations

Cardinal Yearbook

The 1978 Cardinal Yearbook Staff got underway in April of 1977. The staff this year was headed by Mary Schreck and Kathleen Cahalan as co-editors. Section editors were: Seniors: Marianne Flemming and Yvonne Svoboda, Organizations: Darleen O'Grady and Sue Riley, Greeks and Weekends: Mari Jo Giordano and Mike Hitchcock, Sports: Leigh McNeil and John Wayman, Secretaries: Patricia Zimmons.

Cardinal Points

Cardinal Points, the student newspaper. Unable to please all people and organizations all the time, Cardinal Points has fluctuated in scope and design for many years. This year however, Cardinal Points has thrown off the yoke of financial oppression and has achieved a level of excellence hitherto unknown. All aspects of the newspaper, both quality and size have increased dramatically, to such a degree that Cardinal Points is rated as one of the best newspapers put out by SUNY colleges. Cardinal Points has won numerous awards from inside and outside of the college. A new **Arts** section has won much acclaim. Staff size has increased and advertising has been leaned upon to maintain the momentum (Cardinal Points' allocation from the Student Association was one of the lowest in history this year).

Cardinal Points owes a great deal to many people. Tom Robotham and Norm Radow have served with the paper for most of their college years and, coupled with their successors, Phil Karig and Jay McGrath, have elevated Cardinal Points to the award winning publication that it is.

"Cardinal Points has given me a lot," said retiring editor Tom Robotham, "I just hope that my contributions have been of some benefit."

Norm Radow, the retiring Managing Editor, left with a "sense of accomplishment," but had many reservations. "I've left a lot undone but I have tremendous confidence in Phil Karig as Editor, and have assured expectations for Jay McGrath," said Radow.

Tom and Norm see the newspaper rearing independence. "Many college newspapers are going independent. With the advertising base here and a dedicated staff, I can see independence in five years, maybe less," said Radow.

Newly appointed Editor-in-Chief, Phil Karig, illustrated the point this way: "Anytime you have to criticize the people, you are responsible for the conflicts that will develop."

Though the newspaper has come under criticism from many sources, Tom Robotham finds it ironic that the Student Association, which espouses a liberal and youthful philosophy, has tried more to "squash" the paper rather than the administration. "But the fact is," said Robotham, "that these attempts at censorship have been few and far between, and we've met and won most of our battles."

Cardinal Points will submit this year, a proposal calling for a three-fold increase in its budget. Presently Cardinal Points receives eleven thousand dollars from the Student Association, a miniscule amount for the service rendered. The one-hundred page proposal will call for a newspaper with a minimum of twenty-eight pages, and with a weekly **Arts** section and increased circulation. Both the outgoing Editorial Board, and the incoming Editorial Board see anything less than acceptance of this budget as a rubber stamp for independence. In either case, says Karig, "Cardinal Points will continue to serve the College and the community in the way that they have become accustomed to."

Halloween

Strange figures appeared all around campus. It was as if we had been invaded or time had regressed, and people from the past were reborn. The reason for these strange and unusual happenings of the night — it was Halloween weekend. Every where contests for the best costumes were being held. We were visited by the like of Dracula, Snow White, the Pizza Man, and the cast from the Wizard of Oz. There was a costume for every profession one could think of, from policeman to hookers. There were many scary, serious, and funny costumes. All in all everyone around campus seemed to have a good time.

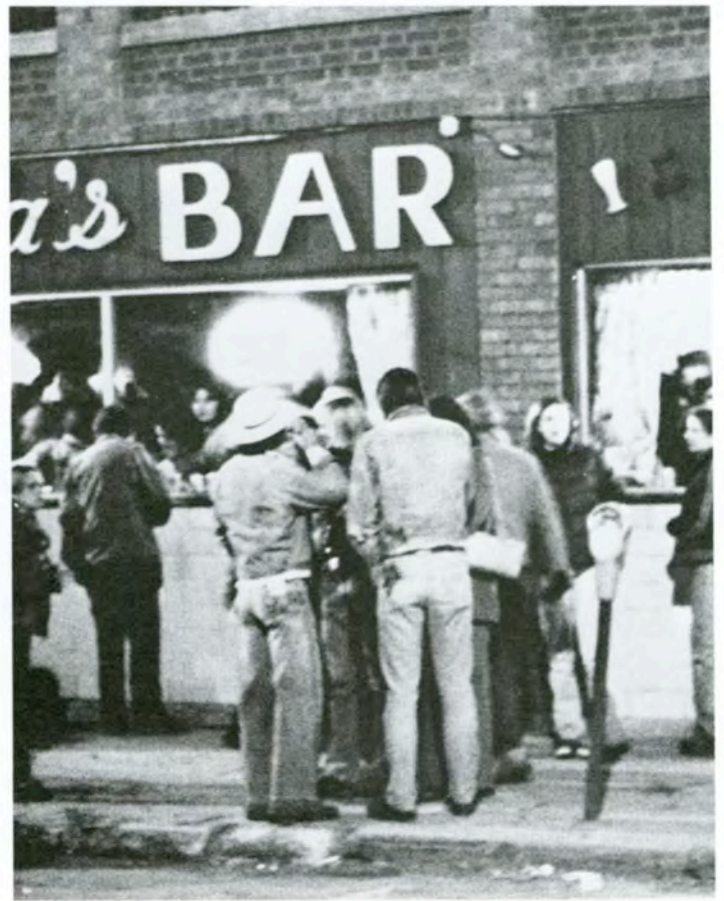

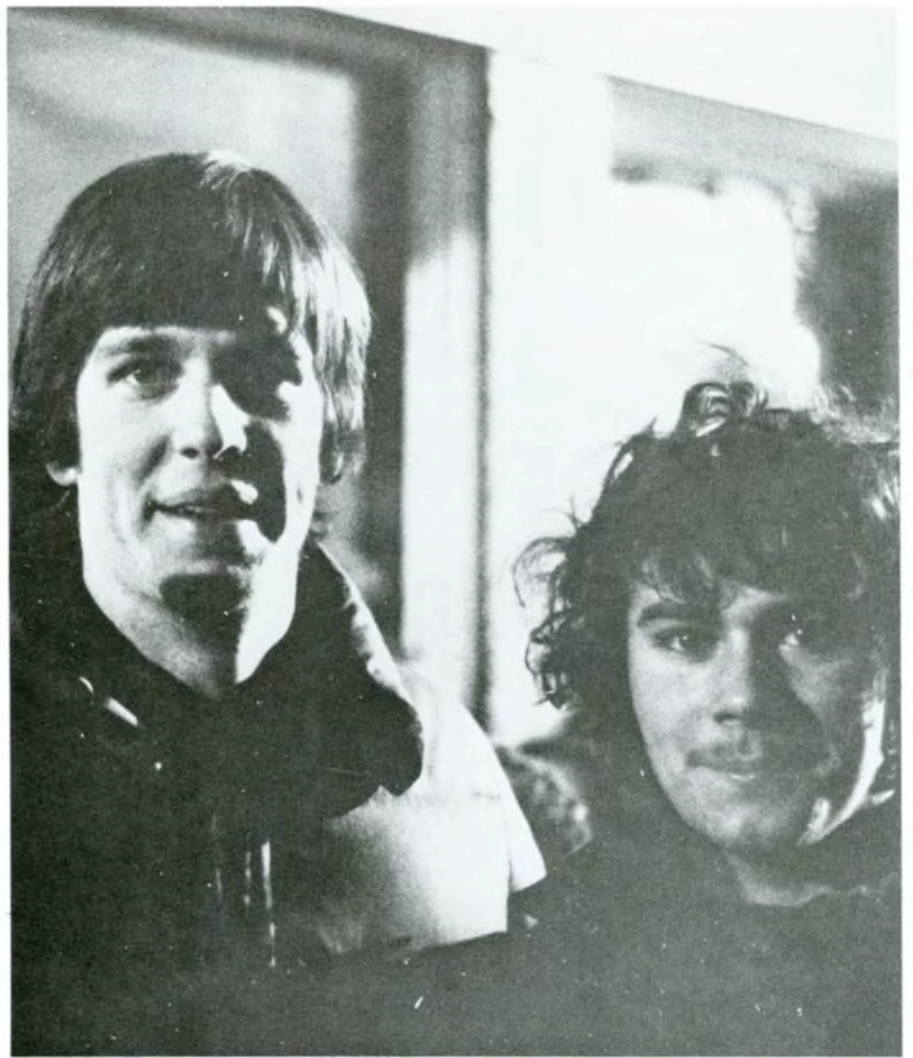

Christmas 1977

Around campus Christmas parties were fantastic successes. Santas never made it because they were passed out in different places. The elves were scurrying about and some people seemed to stray from their friends and ended up underneath the mistletoe. Christmas trees no matter how Charlie Brownish they were gleamed and were admired by many. At the end of the night all the work that had gone into the parties seemed so well worth it. Some proof that the parties were big successes was the fact that most people stayed long after the alcohol was gone, possibly a Plattsburgh first.

SYNOPSIS OF SCENES

The setting of the play takes place over a period of three days in January, 1906.

ACT I

After dinner, in the solarium and sitting room in Lady Britomart Undershaft's home in Wilton Crescent.

ACT II

The yard of the West Ham Shelter of the Salvation Army, the following morning.

ACT III

Scene 1. Next day, after lunch in Lady Britomart's parlor.

Scene 2. Later that afternoon, crest of a slope, overlooking Andrew Undershaft's weaponry and munitions complex, at Perivale St. Andrews.

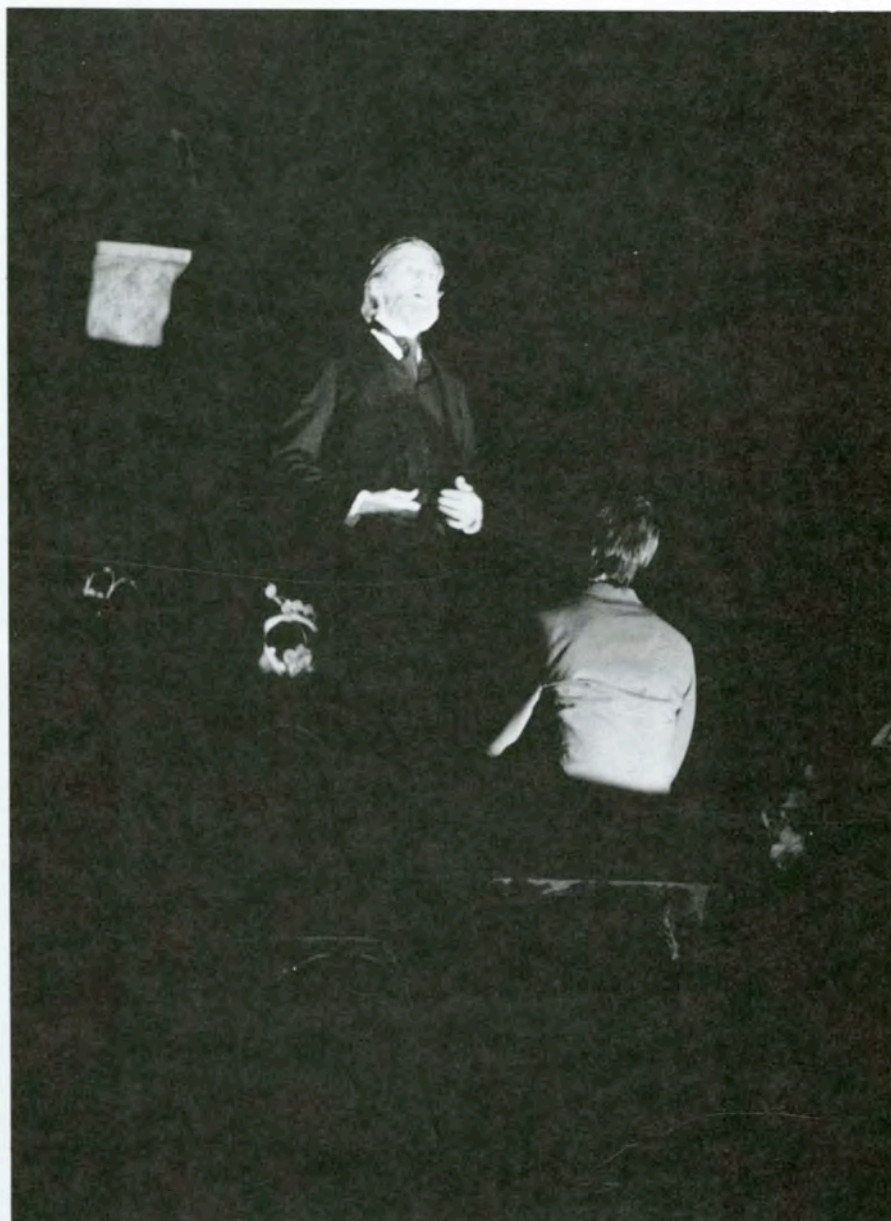

There will be two ten minute intermissions between Acts one and two.

Please note that smoking, beverages, and the taking of photographs are prohibited in Hartman Theatre, thank you.

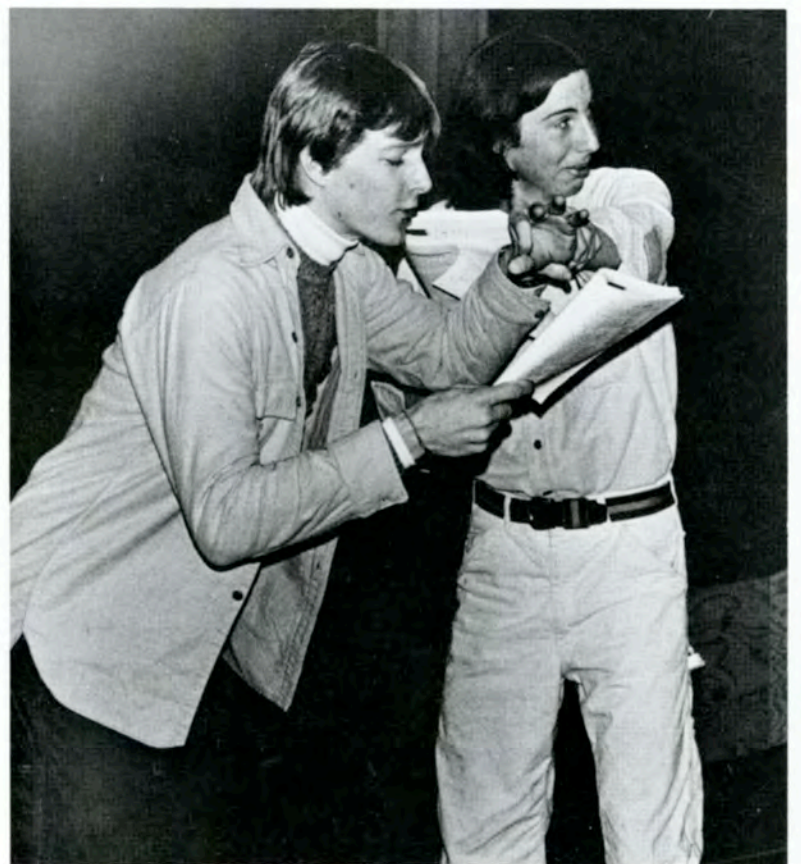

The NTA is funded in part by the Student Association of Plattsburgh State.

Greeks

Everything You Should Know About Greeks But Never Asked . . .

The organizations commonly referred to as the Greeks, lend other dimensions to the Plattsburgh campus. Besides partaking in campus activities such as being chairmen of various committees for Homecoming, Spring and Winter Weekends, as well as having the honor of being members of weekends court, holding positions on executive councils in the Student Government and donating their free time to work at the book swap, and polling booths the Greeks of PSUC do countless amounts of volunteer work in the community raising thousand upon thousands of dollars per year. During the past year the Agos and the Psi Ep's have volunteered their time for the March of Dimes radiothon at WIRY as well as dressing up as characters from Sesame Street for the Pumpkin Patch at the Pyramid Mall.

The Clio's have organized the campus wide United Way campaign: the Ago's sold carnations at the Arts and Crafts Fair, the Psi Ep's sponsored a talent show. The Clio's also do volunteer work at CVPH.

The AD's and Psi Ep's helped the community launch the annual Heart Fund Campaign. Denise Vicarella is 1978's Queen of Hearts. The Sisters of Alpha Delta Theta have always been hard working volunteers for this worthwhile cause.

The Thalias have been involved with the Big Buddy program.

Among the Greeks who have been recognized for their efforts are the brothers of Psi Epsilon Chi — they presently hold the American Cancer Society Award for the single organization in northern New York State which has raised the most money to benefit cancer research; they hold the overall float trophy along with the Thalias for their prize winning entry "The Show Boat".

The brothers of Delta Kappa Delta are involved with the organization of Winter Weekend as well as various athletics for the campus.

This year they won the Scholastic Cup Award for the highest cumulative average among the fraternities. The Sig Tau's are infamous for their twenty four hour long parties and campus blow outs. The Ago's volunteer their time every Sunday night and do USO babysitting, they work with the Association for Children With Learning Disabilities by putting together learning kits, tutoring and fund raising. They've initiated Project Child Find in the Plattsburgh area as well as giving time to the Salvation Army. The Pi Alpha Nu brothers have initiated a telethon for the educational t.v. station on campus, a door to door drive for the Salvation Army, as well as an annual fund raising drive for leukemia.

Some Greek organizations go Christmas carolling at the hospital while others volunteer their time and still others dress up at Halloween time and visit the pediatrics ward. Other sorority and fraternity members enter the M.S. dance marathon; organize and take part in various worthy causes; the walk-a-thon for March of Dimes, Bike-a-thon for cancer, monthly blood drives for the CVPB blood bank and long hours spent at the Health and Well Fair at the Pyramid Mall. The Greeks welcome you to visit them anytime. Come to a rush — where you are able to become acquainted with the brothers and sisters — or to a fraternity house where you can receive answers to any questions you might have.

Psi Ep's

Psi Epsilon Chi, founded in 1968, has something to offer everyone. For the community, we promote the Bike-a-thon for Cancer and Blood Drives for CVPH among other things. For the campus, we have opened our doors of our house on 72 Broad Street for Annual St. Patricks Day parties and periodic TGIF parties, parties which are open to anyone who considers himself/herself a friend of Psi Ep. And for our brothers, we offer loyalty friendship, athletic teams and a feeling of satisfaction, knowing that in your years at Plattsburgh you have done something for yourself and for the people around you.

Ago's

Alpha Kappa Phi Sorority, more commonly known as Ago, has existed since 1892, when it was a literary organization on campus. In more recent years; Ago has as its aims the establishment of cooperation and a feeling of sisterhood among the members; the contribution of activities and services to the college; and the encouragement of new ideas and interests among the members for the improvement of the organization. These aims are fulfilled and implemented by a variety of activities which take place each semester — such as U.S.O. babysitting, and working with A.C.L.D., just to name a few.

DK's

Delta Kappa Delta is a fraternal organization which strives to promote among its members the qualities of scholarship, fellowship, and leadership. Wisely active in intramural and intercollegiate sports, DK has maintained a tradition of excellence in these fields since its reactivation in 1953 (the oldest fraternity on campus). Our membership is open to all male students attending PSUC. The fraternity also offers opportunities for action in community affairs and other community-related activities. Also, the brothers of DK participate and enjoy the most active social life available to anyone on or off campus.

Clio's

The Clionian Sorority was established 102 years ago as a literary society. As the sisterhood developed, it based its goals on community service and loyalty to the group. This semester we are working for the United Way. The sorority has actively lived up to these goals today by working for many weekends, rushes and other sorority formal functions. The Clio's are known to many as daisies, girls in yellow and the Phi Kappa Chi's. The sorority welcomes any girl on campus to join with the intention of serving the community and the campus.

Sig Tau's

The objectives of Sigma Tau Sigma fraternity are to bring together those male students of diversified backgrounds, having corresponding interests and common ambitions to provide a fraternity through which intellectual, social and charitable activities will have a beneficial effect upon the lives of the brothers of the fraternities members, the college and the community. The Sig Tau's house is located at 147 Brinkerhoff Street.

ΘΑΛ

Theta Alpha Lambda

Thalian's

Theta Alpha Lambda Sorority is a women's organization at PSUC. It strives to provide opportunities for each member to grow as an individual socially, emotionally and academically. In addition to rushing, pledging and frat parties, Thalias are involved in intramural sports, and are actively involved in the Plattsburgh community by participating in projects such as the Big Buddy program.

Pi Alpha's

Pi Alpha Nu is a Greek organization that strives to promote fraternal brotherhood and individuality on a campus where being you is a rarity. Despite many hours of comradeship, drinking and extracurricular activities, we've always been able to maintain our involvement in campus as well as community activities. Our many activities include a pledge banquet luau, Christmas party and a lot of great times. Pi Alpha Nu is a fraternity organization where you can do your own thing and form long-term friendships.

ΑΔΘ

Alpha Delta Theta

AD's

Alpha Delta Theta Sorority is a group of women on this campus that believes in the spirit of sisterhood. It is our goal to obtain the scholastic and social ideals of college life, such as working to raise money for the Heart Fund. You can find our lavender and white sweatshirts downtown, at parties and on campus.

Beta's

Our fraternities started in 1959, founded by a group of Korean war veterans. Since then it has grown and decreased in number, but never once did it slacken its own respect for its ideal. It strives for love between its individual members, honor amongst other organizations on campus and a faith in God that its love will perpetuate the organization. Currently the fraternity participates in all athletic events offered, provides the campus with many social events and lends support to many community activities.

Sports

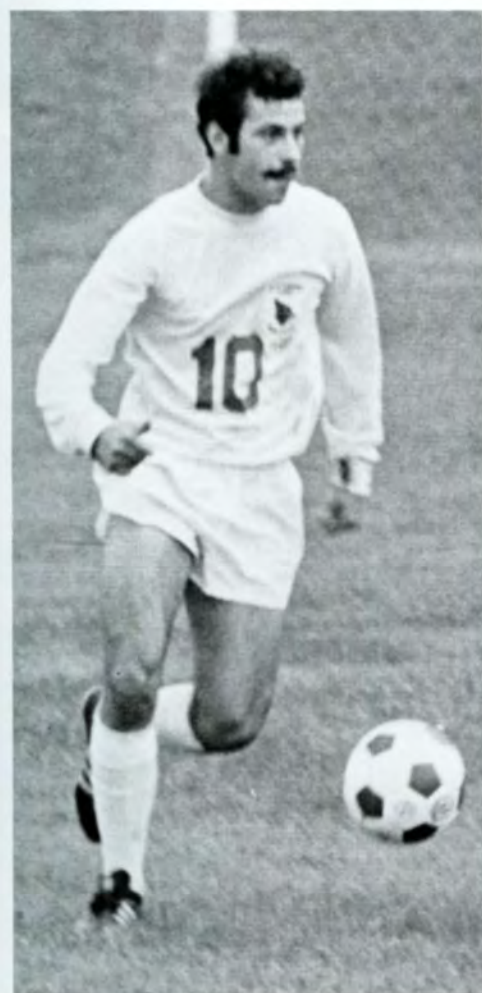

Soccer

This year's soccer team was off to a good start early in the season defeating N.C.C. 12-0, and Clinton Community 4-0. Despite many injuries at mid-season, the Cardinals lost four games by only one goal. By the end of the season Coach Nick Goddard had most of his team back in full force ready to face the number five team in the state, Oneonta. Oneonta was lucky to win 3-2 as the Cardinals played their best game of the season.

Next year's team is looking good, but unfortunately, the team will lose three seniors this year. Leaving the team will be Pat Farrell, Leman Bein-Aime, and Kazmierz Jakiela.

Left to Right: Pat Farrell, Bob Haller, Tim Myler, Lloyd Wilson, Dave Green, Bob Howe, Burt Magnuson, Scott Carter, Matt Ellman, Coach Nick Goddard, Kazmierz Jakiela, Robin Keysor, Leman Bein-Aime, Gary Ritter, Tommy Harrigan, Peter Sarle, John Brown, absent Ernie Bogner, and Pat Germaine.

Tennis

The fall "77" tennis season for the Plattsburgh team was hard fought, losing a few close matches. Many matches and practice sessions were cancelled because of the great amount of rain Plattsburgh received during September and October. With only Jon Brewer, Bill Gilson, and Howie Kern graduating, Coach Dave Robertson looks forward to a stronger showing next year.

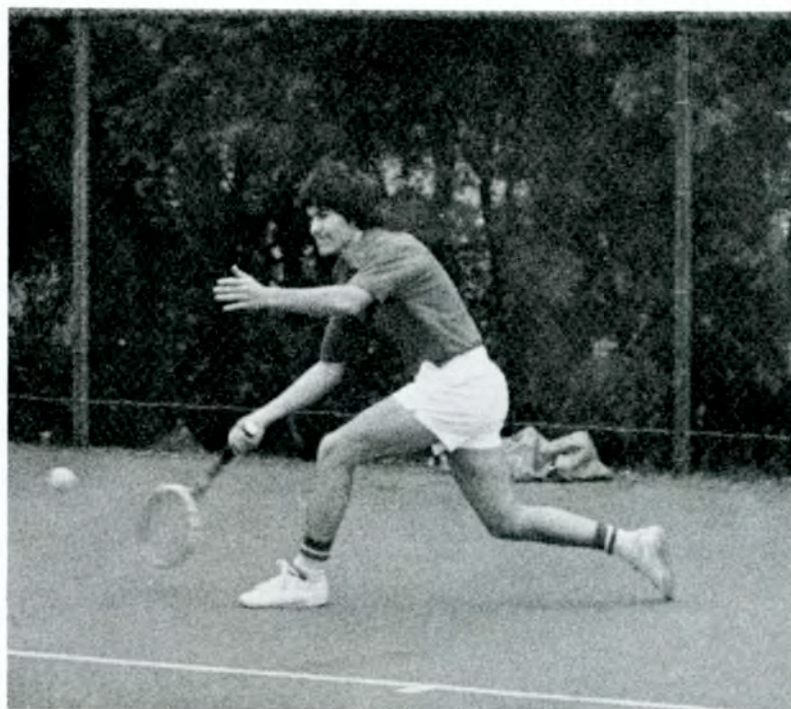

Standing: Dan Rosenthal, Steve Lovink, Mark Zimmerman, Bill Gilson. **Kneeling:** Frank Scullo, Howie Kern, Pete Ettinger, Carl Piacelli, Coach Dave Robertson.

Football

The 1977 football cardinals under the direction of head coach, John Williams, opened the season with high hopes and the youngest team in the school's history. The opener at Marist College ended in a 14-14 tie. In the second game of the season the cardinals outclassed a strong Middlebury "B" squad with a 28-0 shutout. Traveling to Brockport State the team lost a well played game in the rain and mud 0-7. At this point in the season an unusual number of serious injuries crippled the cardinals as several starters were forced to sit out the remainder of the season. The result was successive losses to R.P.I., St. Lawrence University, Mass Maritime, Norwich University, and Albany State. The last four losses coming against teams that were the best in the east in Division III. The final game of the season was an outstanding effort by the cardinals against Albany State, a team that went on to the Division III playoffs. Leading the cardinals was freshman quarterback Jeff Budka, who passed for 1015 yards and a 43% passing average.

Head Coach — John Williams
 Assistant Coach — Art LaMarche
 Assistant Coach — Jeff Mostyn

Team Co-Captain — Dave Welsh
 Team Co-Captain — Jim Raser

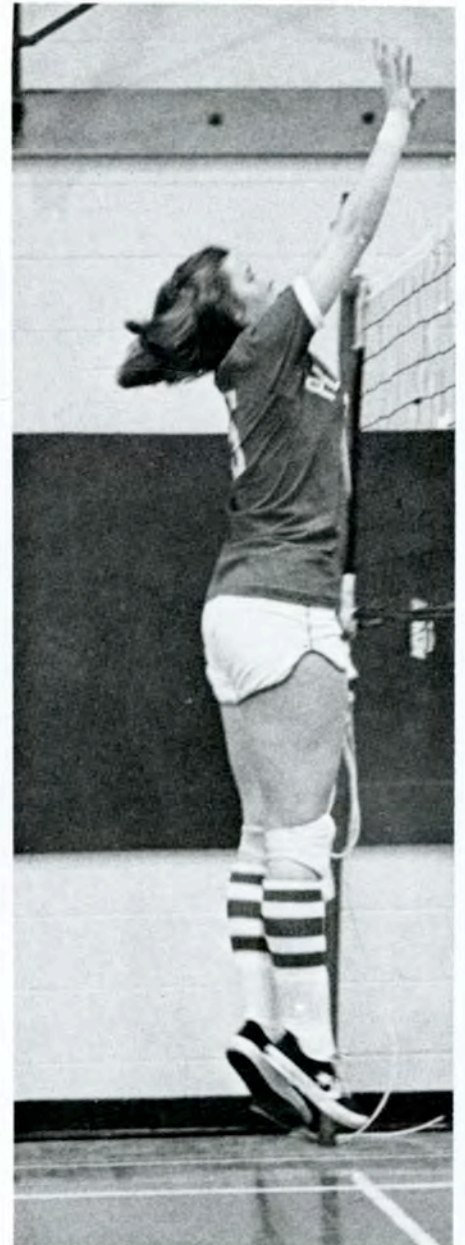

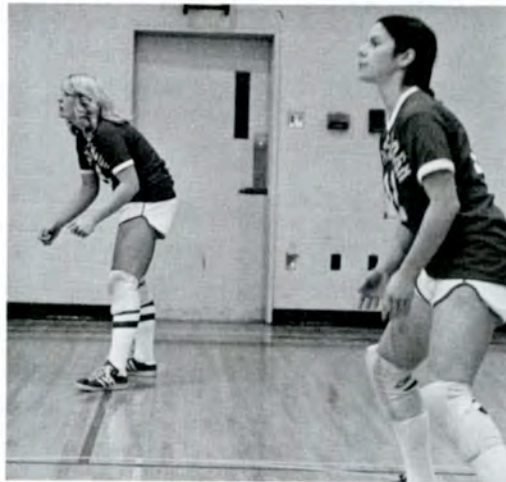

Women's Volleyball

Everything was new for the women's volleyball team this year. The coaches S. Baum and D. West, had a real learning experience working with the team. They worked hard but had fun too and are looking forward to next year's season. This young, but skillful team did a good job in their first season ending with a 7-7 record. All the girls enjoyed this year very much and are looking forward to next year's season when they hope to play even better.

Women's Tennis

The PSUC Women's Tennis Team had a ruff and rainy start losing to Potsdam (twice), Middlebury, and St. Lawrence, with three cancellations, St. Michael's, Albany St. and Siena. However the girls showed much improvement toward the end of the season by defeating Caselton and Hudson Valley. We were fortunate to send four team members to the New York State tournament, and our doubles team won in the cancellations. We are looking forward to a more experienced squad and better season next year.

Outdoor Track

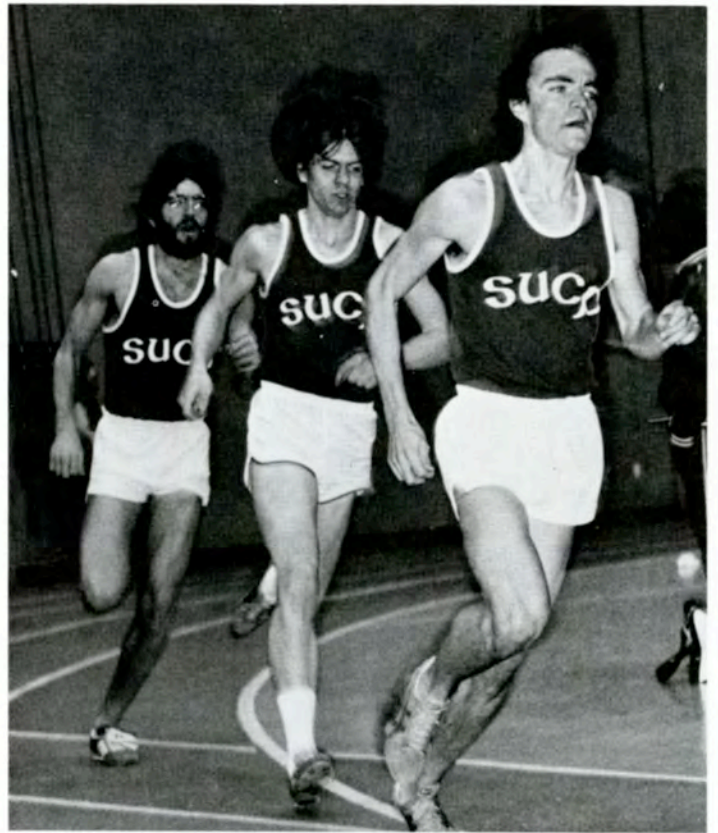

Cross Country

Indoor Track

ROSTER — BACK ROW: Uwe Meyer — Coach, Ann Kelly, Colleen Rogers, Suzanne Silvanic, Patti Wall, Mary Foster, Luann Walbridge, Margarete Heck — Manager. **MIDDLE ROW:** Nancy Banner, Pam Atkinson, Judy Allen, Jean May, Joan Dwyer, Katie McNally. **BOTTOM ROW:** Kathy Ward, Josie Certo, Kim Maeril, Joan Borman, Nancy RoBusto.

Women's Swimming

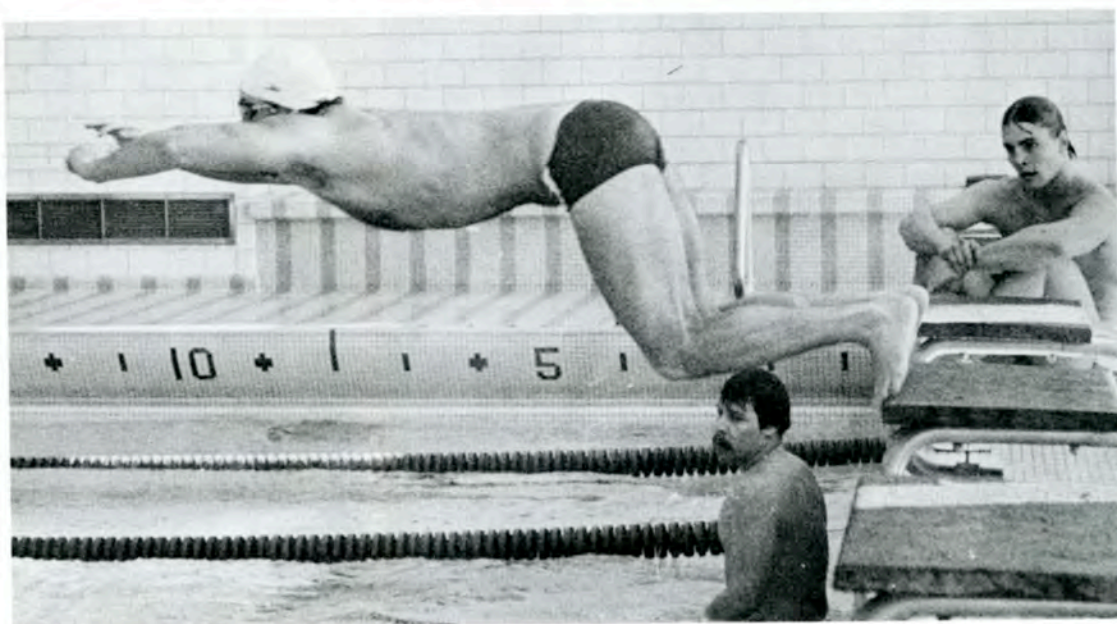

PSUC had an impressive year, beating Middlebury, Albany State, St. Michaels, Russell Sage (twice), McGill University, Skidmore, New Paltz, and Buffalo State. This fine women's team lost only three times, to St. Lawrence, Middlebury, and to the University of Vermont. The 9 wins 3 losses record, is the mark of an outstanding season.

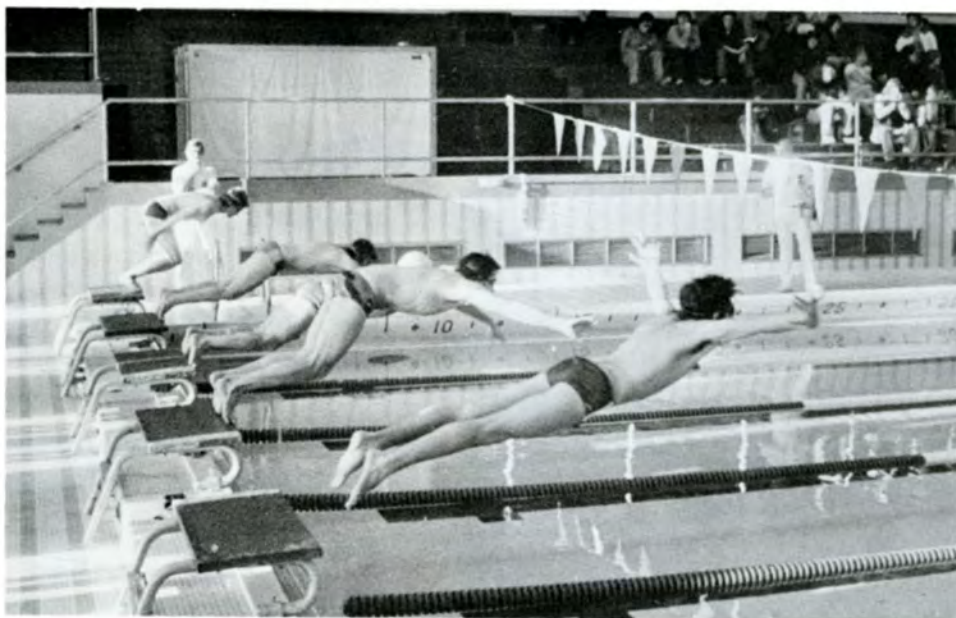

Eight Cardinal women are going to The State Championships, which will be the largest squad PSUC has ever sent. These Eight are Nancy Robusto, Jean May, Mary Foster, Luan Walbridge, Ann Kelly, and Pat Wall.

Men's Team (l-r) Margarete Heck (manager), Neal Wilson, Andy Wrable, Doug Stewart, Frank Collins, Keith Kutil, Mark Yatarola, Dave Robertson (Coach).

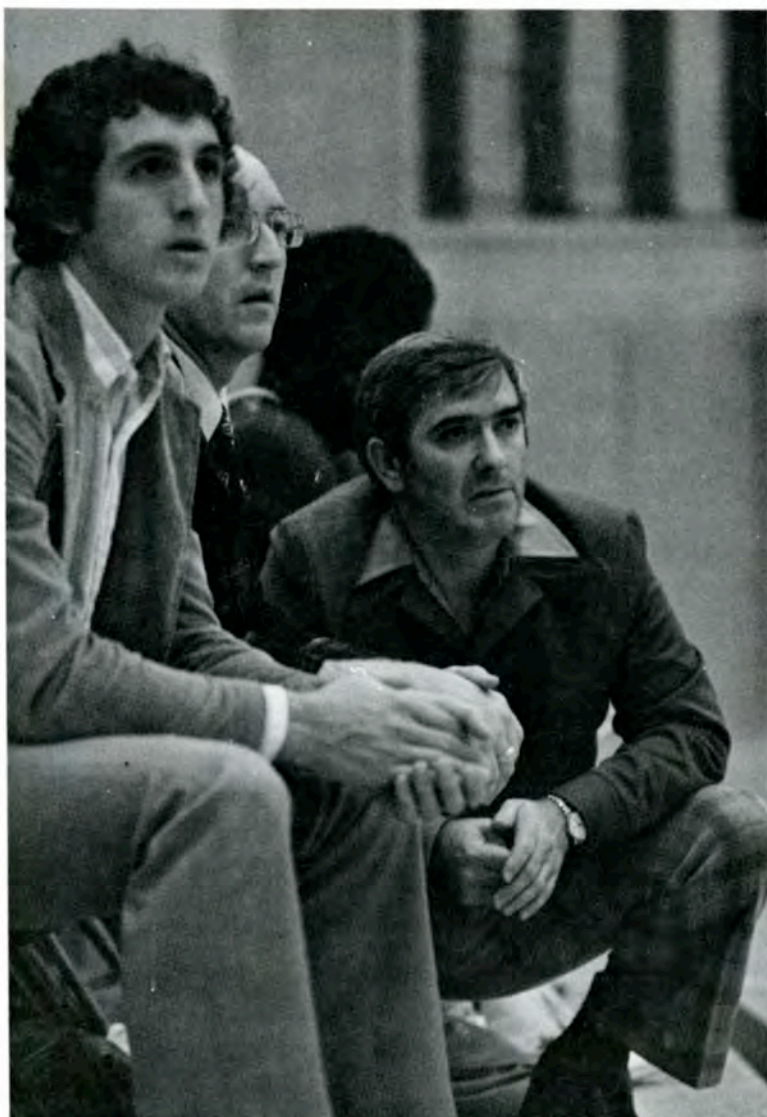

Men's Swimming

The Plattsburgh State Men's Swimming Team fought an uphill battle this season. At the Christmas break the size of the team dropped to six with some members graduating and others leaving to pursue other interests. This was unfortunate, but the swim team still had an impressive year.

Men's Basketball

The 1977-78 Cardinal basketball season has proved to be a year of ups-and-downs. The Cards began with a torrid pace of 5 wins in a row including a first place finish in the Berkshire Classic over host North Adams State of Massachusetts, but then fell victim to two powerhouse division II schools (Bridgeport and Hartwick) just before the holiday semester break.

Coming Back in January it looked as if the Cards could regain their title as S.U.N.Y.A.C. champs that was their's two years ago, But due to the loss of personnel and some cold offense the Cards sputtered. An overtime lost to Oneonta State at home the Cards had their first bad break, but then later that same week an even bigger blow came. With a 0-7 record the Cards were at Cortland State and won 49-48 in the last twenty seconds, but a wildly thrown elbow ended a career that may never be forgotten. Larry Parker was lost with a fractured cheek bone. His season ended and gone were his 17.9 points a game and 15 rebounds, but most of all his leadership. The Cards rallied behind lettermen Mike Green, Darryl Hutson and Tony Petroni to win their next two games over Powerhouse St. Lawrence and Castleton St., before falling victims to the flu and Albany State which eliminated them from post season play.

Larry Parker, Plattsburgh's Mr. Everything will be gone next year, but a good solid nucleus of returning players will give the fans what they deserve, a winner.

Ice Hockey

At Plattsburgh State, winter is the season of bouncing balls, sharply slapped pucks, boisterous crowds . . . and butterflies.

Coach Louis Frigon's hockey team has captured the spotlight of those boisterous crowds with a hockey team that at mid-February was atop the ECAC division II West with a 15-2 overall mark, the New York State Collegiate Hockey Association with an 11-1 record and the State University of New York Athletic Conference with an unblemished 8-0 slate.

At the first of the season, Frigon's hockey team represented an 80 percent turnover in personnel from a year ago. That was topped with the inexperience of the club as an ECACII contender — joining the ranks in fall, 1976. However, the Cardinals demonstrated that their lack of experience in the ECAC leagues would not deter from the talent of their young club.

The Cardinal front line of Teddy Dash, Matt Wescott and Danny Brown demonstrated their high scoring ability in the first contest with an 18-2 whipping of Brockport State. That contest followed with a disappointing 6-5 loss to Army at West Point. From that point, the Cards went on a hockey tear that witnessed them build a ten game winning streak over such notable clubs as the University of Buffalo, Geneseo State, Norwich University and Hamilton College. The Cardinals did not stop that relentless pace until January 28, with a loss at Elmira College that set the

Plattsburgh State record at 10-2. Two weeks later, before a record crowd of 3,100 at the Field House, the Cardinals avenged their Elmira loss with a 6-4 win over the Golden Eagles that gave Plattsburgh State sole possession of first place in the ECAC with a 14-2 mark.

The Cardinals took sole possession of the SUNYAC and New York Hockey conferences with a 5-2 win over Oswego State on February 18 at Oswego. That win came despite a flu and injury bug which depleted the team to just 12 healthy players who made the trip. The win assured the Cardinals either the number one or two seed and a home ice advantage for the March ECAC playoff.

Danny Brown, a transfer from Clinton A&T, has proved to be the stalwart player on this year's success team. The junior from Richmond, Ontario has consistently led the ECAC in scoring with an average of almost four points a game. Teddy Dash and Matt Wescott have complimented Brown's play — each chipping in enough points to stay among the division leading scorers.

The hockey team's success has been the major sports story on the PSUC campus in 1978 as they've captured the hearts of student hockey fans as well as the entire community. Everyone is hopeful that the regular season victories will add to their momentum as they participate in the ECAC Tournament for the first time in the school's history.

BOTTOM ROW (L-R): Rick Strack, Todd Wescott, Doug Kimura, Dan Brown, Matt Wescott, Danny Goselin, Derek Doty. **MIDDLE ROW:** Doc Powers, Keefe Riley, Joe Hannabach, Rich Goodwin, Teddy Dash, Ed Seaney, Russ Testo, Brent Reid, Barry Yanolovich. **TOP ROW:** Harry Keeshan, Tim Christie, Marc Oulette, J. R. Inglis, Mike Prado, Gerry Connel, Joe Kelly, Peter MacKenzie, Chuck Keffer, Coach Louis Frigon.

Women's Basketball

With the addition of some height and some new faces the Cardinal Women's Varsity Basketball Team have turned things around this season. After a disappointing season last year, Coach Sturm has made some changes such as incorporating the running game along with using the height of six foot freshman Meg Durfee and five-eleven senior Mary Jo Hartmayer. Joining Meg and Mary Jo up front are, senior Susan Speeches, junior Mary Schreck and freshman Darlene Lint. In the back court for the Cards is the outstanding guard Linda Case along with junior Melody Kalinkewics, sophomore Karen Martini, and freshman Denise O'Connor. The women's schedule this year includes Albany State, St. Lawrence University, Lyndon State, Johnson State, U.V.M., Potsdam, Buffalo State and Norwich.

Even though there are three freshmen on this year's squad, the team will lose four key players, Case, Hartmayer, Speeches and Kalinkewics at the end of this season. When Linda Case graduates after this season she will become the all time leading scorer here at Plattsburgh State. Congratulations Linda!

FRONT ROW (L-R): M. Kalinkewics, K. Martini, L. Case, D. O'Connor, S. Speeches. BACK ROW: M. Schreck, D. Lint, M. J. Hartmayer, M. Durfee, P. Sturm (Coach), K. Anderson (Asst. Coach).

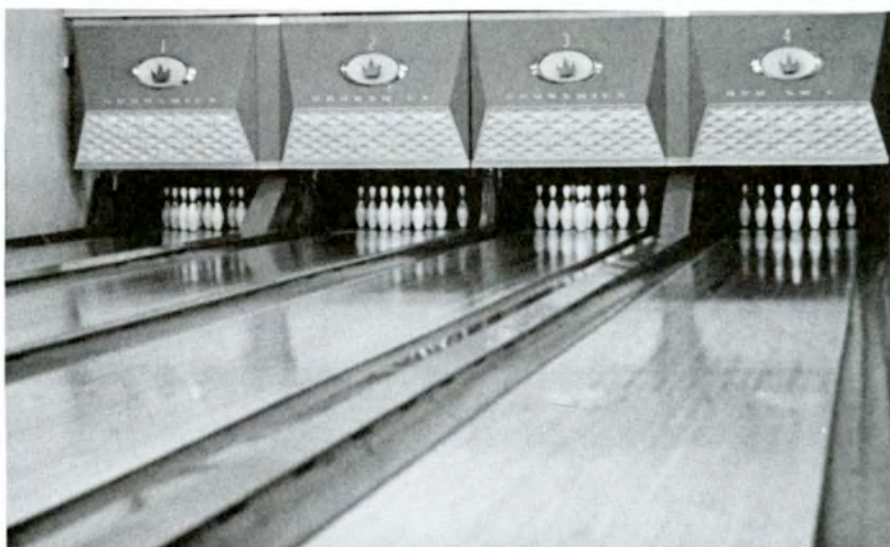

Roster

Trainers

FRONT ROW (L-R): Mark Smith, Julie Smith, Laura McCumber, Bruce Close, Judy Rowe, Kevin Cooper, Bob Bowman. **BACK ROW:** Sandy Tyler, Michele Magnome, Tricia Anderson, Blaine Nellis, Tim Myler, Carol Snyder, Hollis "Doc" Power. **MISSING:** Tina Daley, Rick Morris.

The Plattsburgh State Student Trainers, under the guidance of Hollis (Doc) Powers serve as one of the most important segments in a complete athletic sports program. Their duties consist of prevention of injuries, immediate first aid for those that are injured and treatment and rehabilitation procedures as directed by their advisor or the Team Physician. Their skills vary from taking care of cuts and abrasions, to making pads, taping, etc. The student trainer is well versed in emergency procedures. It is the trainer's duty to carry out any orders given by the team physician and to keep the coach informed of the athlete's physical condition. A coordinated effort between the trainer, coach, athlete, and team physician is a necessity in establishing a successful sports program.

In Memoriam

Over Christmas vacation, John Byrnes left us. Mind you it's certainly not like him to desert anyone; if anyone needed anything, anytime Byrnsie was there. There's no doubt in my mind he wishes he could be here now to tell us all everything will be alright. Yes, Byrnsie has left us, but what he left with us is a lesson in how to live. He lived a life of constant giving and caring. He touched many lives with his contagious enthusiasm and tender compassion. I could write nearly endless lists of his accomplishments and sacrifices for others yet what is more important is that we have grown and will continue to grow because of our having known him. Yes, Byrnsie has left us and we shall all miss him terribly but in a far greater way, he will always be with us and we shall never stop loving him.

Anne Hurley

February 21, 1978

A yearbook to us is a representation of the past academic year, the people, the school, the events and the activities. We have tried to create this set of images of Fall 1977 to Pre-spring 1978, through this 280 page volume.

When we think about the work production on this book, we would have been lost without the help of some special people. At this time we would like to extend our thanks and appreciation to them:

Dave Rotholz, for his color print on pages 2 and 3

Michael McLean, for his cover design

Gerry Diffley, for all his layouts, particularly those in the "Flight of the Cardinal"

Robert Arkus, for his artwork in the "Flight of the Cardinal"

Mike Hitchcock, for his essay in the "Flight of the Cardinal"

Lynne Comley and Don McGowon, for their color prints in the opening section

Joe Schiff, for his help during the second semester in organizing the photography staff

Robin Brown, for her Graduation, hockey team and basketball team pictures

Al Montanaro, our yearbook advisor, for his "listening ear"

Gary Gold and Bill Sloane, our publisher's representatives, for their patience and guidance in the production of the book

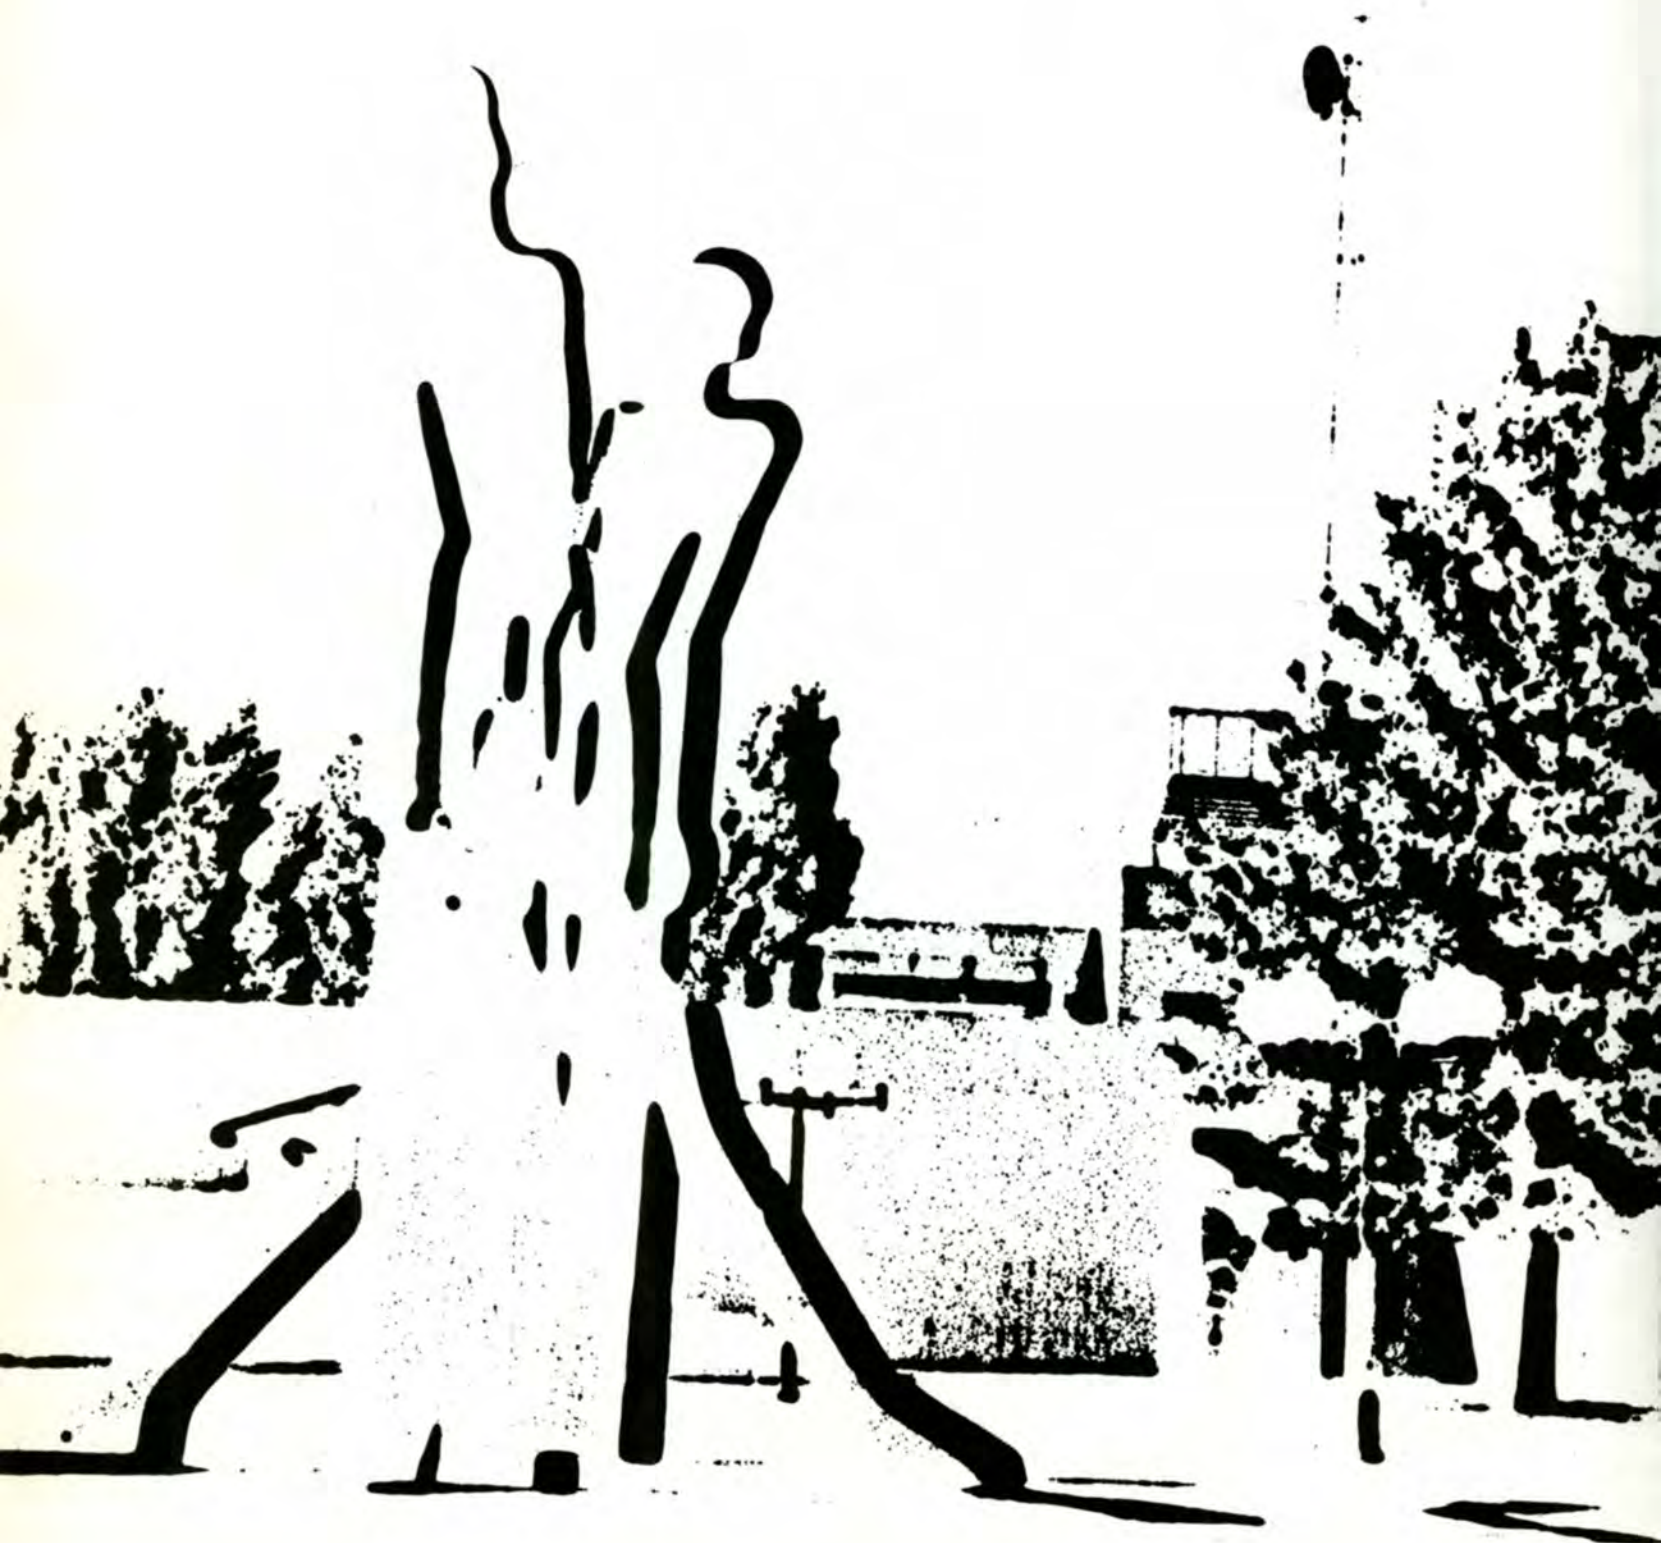

Delma Studios, for the use of their professional photographers and services

And our thanks to all those who contributed their time and efforts especially our staff, to make this book a success.

Mary Schreck

Kathleen Cahalan

CARDINAL

1978
